As required under Section 102(1) of the Companies Act, 2013, the following explanatory statement sets out all material facts relating to the special business mentioned under Item Nos. 4 and 5 of this Notice

Item No. 4 & 5

The Board of Directors is considering various options to raise funds. It is therefore proposed to increase the Authorised capital of the company. Currently, the Authorised Share Capital as per the Memorandum of Association (“MOA”) does not have adequate headroom, therefore, the Authorised Share Capital of the Company needs to be increased from existing Rs.50,00,000/- (Rupees fifty Lakhs Only) divided into 5,00,000 (Five lakhs) Equity shares of Rs. 10/- (Rupees Ten Only) each to Rs.1,00,00,000/- (One Crores Only) divided into 10,00,000 (Ten Lakhs) Equity shares of Rs. 10/- (Rupees Ten Only) each , by creation of additional Rs. 50,00,000/- (Rupees Fifty Lakhs only) divided into 5,00,000 (Five Lakhs) Equity Shares of Rs.10/- (Rupees Ten only) each ranking pari passu with the existing equity shares in all respects, to create adequate headroom for considering the said fund raising.

Consequently, the Capital Clause V of the Memorandum of Association of the Company requires to be altered which requires members approval. Therefore, approval of the Members of the Company is being sought by way of special resolution for the alteration of the Capital Clause of the Memorandum of Association of the Company.

The draft amended copy of the Memorandum of Association of the Company is available for inspection at the Registered Office of the Company on all working days between 10:00 a.m. to 1:00 p.m. The Board commends the Special Resolutions set out at Item No. 4 and 5 of the Notice for the approval of the Members.

None of the Directors and Key Managerial Personnel of the Company, or their relatives, is concerned or interested in the above said resolution, except as a member of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS

The management is pleased to present its Analysis Report.

A. FINANCIAL REVIEW:

Your Company earned profit of Rs.9.45 Lakh for the financial year ended 31st March, 2022 as compared to previous year loss of Rs.6.33 Lakh.

Sr.	Particulars	31/03/2022	31/03/2021	% Variance
a.	Current Ratio	0.264	0.094	180.80
b.	Debt Equity Ratio	0.133	0.370	-64.02
c.	Net Profit Ratio	0.350	-73.588	100.48

B. MACRO ECONOMY: REVIEW AND OUTLOOK:

The spread of the coronavirus pandemic is likely to affect the global economy. However, the impact of the pandemic is likely to remain in the short term. The long-term outlook for SSL business is positive.

The government's stimulus packages, efforts to introduce favorable reforms and policies are steps in the right direction. These are very encouraging signs for the all sectors and a boost to economy. The Company will endeavor to sustain this phase in a prudent, balanced and agile manner and emerge stronger once the crisis gets over to resume its growth and expansion trajectory.

C. OPPORTUNITIES AND MARKET ENVIRONMENT:

The global economy grew by 5.9% in 2021 following a contraction of 3.1% in 2020 (Source: IMF World Economic Outlook, January 2022). However, the growth momentum started slowing towards the end of 2021, as the effects of fiscal and monetary stimuli dissipated along with the onset of the Omicron variant of COVID-19. The successful rollout of the world's largest vaccination drive, pick-up in government expenditure and better preparedness compared with the first wave limited the negative economic impact this time.

While the early forecast for global economic growth in 2022 is pegged at 4.4% (Source: IMF World Economic Outlook, January 2022), the recent geo-political tensions and conflict in Ukraine along with emergence of new COVID-19 variants will weigh on global growth projections and also lead to high inflation in the short term.

D. FUTURE PROSPECTS:

In conclusion, we would like to thank our Board members for their commitment and sincerity towards the Company. I thank all our Shareholders for their relentless support. Our employees are our strength, and I thank them for the value, passion, and enthusiasm they bring to work. I look forward to a successful year ahead amidst all the challenges that 2022 will bring. It is your Company's belief that businesses can bring about transformational change by pursuing innovative business models those synergies the creation of sustainable livelihoods and the preservation of natural capital with enhancing shareholder value.

INDEPENDENT AUDITORS' REPORT

To
The Members,

SAGAR SYSTECH LIMITED

Report on the Audit of the Standalone Financial Statements

We have audited the standalone financial statements of **Sagar Systech Limited** ("the Company"), which comprise the balance sheet as at **31st March, 2022**, and the statement of profit and loss, (statement of changes in equity) and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its Profit, changes in equity, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in Directors' report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr. No.	Key Audit Matter	Auditors' Response
1	<p>Revenue from supply of services is recognised when control of the services being provided is transferred to the customer and when there are no longer any unfulfilled obligations. The performance obligations in the contracts are fulfilled at the time of performance, delivery, or upon formal customer acceptance depending on customer terms. Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government such as goods and services tax, etc. Accumulated experience is used to estimate the provision for discounts and rebates. Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur. Rebates and discounts are material and have arrangements with varying terms which are based on annual contracts or shorter term arrangements. In addition, the value and timing of promotions for products varies from period to period, and the activity can span over a year end.</p>	<p>Our audit procedures included:</p> <ul style="list-style-type: none"> •We tested the effectiveness of controls around the recognition of provisions. •We used our subject matter experts to assess the value of material provisions in light of the nature of the exposures, applicable regulations and related correspondence with the authorities. •We challenged the assumptions and critical judgments made by management which impacted their estimate of the provisions required, considering judgments previously made by the authorities in the relevant jurisdictions or any relevant opinions given by the Company's advisors and assessing whether there was an indication of management bias. •We discussed the status in respect of significant provisions with the Company's internal tax and legal team. •We performed retrospective review of management judgments relating to accounting estimate included in the financial statement of prior year and compared with the outcome.
2	<p>The Company could periodically be subjected to challenges/scrutiny on range of matters relating to direct tax and indirect tax. Further, potential exposures may also arise from general legal proceedings, environmental issues, etc. in the normal course of business. Assessment of contingent liabilities disclosure requires Management to make judgments and estimates in relation to the issues and exposures. Whether the liability is inherently uncertain, the amounts involved are potentially significant and the application of accounting standards to determine the amount, if any, to be provided as liability, is inherently subjective.</p>	<p>Our audit procedures included:</p> <ul style="list-style-type: none"> •We tested the effectiveness of controls around the recording and re-assessment of contingent liabilities. •We used our subject matter experts to assess the value of material contingent liabilities in light of the nature of exposures, applicable regulations and related correspondence with the authorities. •We discussed the status and potential exposures in respect of significant litigation and claims with the Group's internal legal team including their views on the likely outcome of each litigation and claim and the magnitude of potential exposure and sighted any relevant opinions given by the Group's advisors. •We assessed the adequacy of disclosures made. •We discussed the status in respect of significant provisions with the Group's internal tax and legal team. •We performed retrospective review of management judgments relating to accounting estimate included in the financial statement of prior year and compared with the outcome.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Director's are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statements/ information of 0 branches included in the standalone financial statements of the Company whose financial statements/financial information reflect total assets of Rs. 0 as at 31st March, 2022 and total revenue of Rs. 0 for the year ended on that date, as considered in the standalone financial statements. The financial statements/information of these branches have been audited by the branch auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of branches, is based solely on the report of such branch auditors. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143 (3) of the Act, we report that:

- (a) we have sought and obtained all the information and explanation, which to the best of our knowledge and belief were necessary for the purpose of our audit;

IN CASE OF SAGAR SYSTECH LIMITED

- I. (a) (A) The Company did not have fixed assets in the year under consideration. Hence the Clauses as to maintaining proper records showing full particulars of, including quantitative details and situation, and verification of fixed assets, and title deeds are not applicable
- (B)The Company did not have any intangible assets acquired or otherwise created and recorded in its books of account during the year under consideration.
- (b) The Company did not have property, plant, and equipment in the year under consideration. Hence the clause as to the management verifying at reasonable intervals the Property, Plant and Equipment's is not applicable.
- (c) The Company did not have property, plant, and equipment in the year under consideration. Hence the clauses as to the management presenting records before us of the title deeds of immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company is not applicable.
- (d) As per records presented before us, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year and, therefore the clause as to the revaluation being based on the valuation by a Registered Valuer and to specify the amount of change, if change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment or intangible assets is not applicable.
- (e) As informed to us and as per records presented before us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder, and therefor the clause as to whether the Company has appropriately disclosed the details in its financial statements in this regard is not applicable
- II. (a) Since the Company did not deal in goods and did not have any inventory, the clause as to verification of inventory by the management at reasonable intervals, and material discrepancies on physical verification of stocks as compared to the book records and whether the coverage and procedure of such verification by the management is appropriate; and whether any discrepancies of 10% or more in the aggregate for each class of inventory were noticed during the year is not applicable.
- (b) The Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets; and therefore the clause requiring reporting on matching of the quarterly returns or statements filed by the Company with such banks or financial institutions being in agreement with the books of account of the Company is not applicable.

- III. During the year the Company has not provided loans or provided advances in the nature of loans, or stood guarantor, or provided security to any other entity.
- (a) (A) the aggregate amount during the year, and balance outstanding at the balance sheet date with respect to such loans or advances and guarantees or security to subsidiaries, joint ventures and associates was RS. Zero;
- (B) the aggregate amount during the year, and balance outstanding at the balance sheet date with respect to such loans or advances and guarantees or security to parties other than subsidiaries, joint ventures and associates was RS. Zero;
- (b) in our opinion, the investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees provided are not prejudicial to the company's interest
- (c) since no loans and advances in the nature of loans were granted, the clause as to the schedule of repayment of principal and payment of interest stipulation, whether the repayments or receipts are regular is not applicable;
- (d) there was no amount that is overdue for more than ninety days, and therefore the clause as to taking reasonable steps have been by the company for recovery of the principal and interest is not applicable;
- (e) As explained to us, no loan or advance in the nature of loan granted which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties, and therefore clause as to aggregate amount of such dues renewed or extended or settled by fresh loans and the percentage of the aggregate to the total loans or advances in the nature of loans granted during the year is not applicable.
- (f) the company has not granted any loans or advances in the nature of loans either Repayable in demand or without specifying any terms or period of repayment, and therefore the clause s to specify the aggregate amount, percentage thereof to the total loans granted, aggregate amount of loans granted to Promoters, related parties as defined in clause (76) of section 2 of the Companies Act, 2013 is not applicable.
- IV. In respect of loans, investments, guarantees, and security, in our opinion, the provisions of sections 185 and 186 of the Companies Act have been complied with.
- V. The Company has not accepted any deposits from public within the meaning of the provisions of section 73 or any other provisions of the Companies Act, 2013 and the rules made there under. As regards deemed deposits, the Company has complied with the provisions of the Companies Act 2013 and Rules made thereunder. We have been informed by the management that there has been no order passed by the Company law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal on the Company with respect to compliance of the provisions of section 73 or any other provisions of the Companies Act 2013.
- VI. We have been informed by the management that, the Central Government has not prescribed the method of maintenance of cost records under section 148 (1) of the Companies Act, 2013 to the industry to which the Company pertains.

- VII. (a) We have been informed by the management that, the Company is generally regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess, and any other statutory dues with the appropriate authorities, and there have been no material arrears of outstanding dues as at the last day of this financial year for more than six months from the date they became payable.
- (b) According to the information and explanation given to us, there are no dues referred to in (a) above which have not been deposited on account of any dispute.
- VIII. As per information and explanation given to us, and records presented before us, there were no transactions not recorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act 1961, and therefore the clause as to whether the previously unrecorded income has been properly recorded in the books of account during the year is not applicable.
- IX. (a) As informed to us by the management, and as per the records made available to us, the Company has not defaulted in repayment of any dues to any lender.
- (b) As per information and explanation given to us, the company is not declared wilful defaulter by any bank or financial institution or other lender;
- (c) As informed to us by the management, and as per the records made available to us, the term loans were applied for the purpose for which the loans were obtained; and therefore the clause as to reporting on the amount of loan so diverted and the purpose for which it is used is not applicable.
- (d) As per records of the Company, the funds raised on short term basis have not been utilised for long term purposes.
- (e) As explained to us, the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) As per records presented to us, the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- X. (a) We have been informed by the management that no money was raised by way of Initial Public offer or Further Public offer (including Debt instrument) during the year.
- (b) The company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year, and therefore the clause as to whether the requirements of section 42 and section 62 of the Companies Act, 2013 have been complied with and the funds raised have been used for The purposes for which the funds were raised is not applicable.
- XI. (a) As informed by the management, there has not been noticed or reported any fraud on or by the Company or its officers or employees during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed by us in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government;
- (c) The Company has informed us that it has not received any complaints from a whistleblower during the year.

- XII. Since the Company is not a Nidhi Company, the provisions of this clause are not applicable to the Company.
- XIII. In our view, and as per the explanation given to us by the management, transactions with the related parties are in compliance with section 177 and 188 of the Companies Act, 2013 wherever applicable, and details have been disclosed in the financial statements as required by the applicable accounting standard.
- XIV. (a) In our opinion the company has an internal audit system commensurate with the size and nature of its business;
- (b) We have reviewed the reports of the Internal Auditors for the period under audit and have considered the observations while performing our audit function.
- XV. As per the explanation given to us by the management, and as per records maintained, the Company has not entered into any non-cash transactions with directors or any persons connected with him as prescribed by section 192 of the Companies Act 2013.
- XVI. (a) In our view, the company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934, and therefore has the registration has not been obtained;
- (b) In our opinion, the Company has not conducted any Non-Banking Financial of Housing Finance activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act 1934;

IN CASE OF SAGAR SYSTECH LIMITED

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of
the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Sagar Systech Limited ("the Company") as of 31st March, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO ANNUAL ACCOUNTS FOR THE YEAR ENDED 31/03/2022

Note 16 OTHER NOTES TO ACCOUNTS

A SIGNIFICANT ACCOUNTING POLICIES:

(a) Basis of Preparation and Presentation

The Financial Statements have been prepared on the historical cost basis except for following assets and liabilities which have been measured at fair value amount:

- i) Certain Financial Assets and Liabilities (including derivative instruments),
- ii) Defined Benefit Plans - Plan Assets and
- iii) Equity settled Share Based Payments

The Financial Statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

Company's Financial Statements are presented in Indian Rupees, which is also its functional currency. The figures in the said Financial Statements are rounded off to nearest Rupees One Thousand as mandated by Schedule III to the Companies Act 2013.

The Company follows mercantile system of accounting, and recognizes all income and expenses on accrual basis.

(b) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets. In case of land the Company avails fair value as deemed cost on the date of transition to Ind AS. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Property, Plant and Equipment which are significant to the total cost of that item of Property, Plant and Equipment and having different useful life are accounted separately.

Other Indirect Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Capital Work - in - Progress.

Depreciation on Property, Plant and Equipment is provided using written down value method on depreciable amount. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act 2013.

The residual values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from derecognition of a Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised

(c) Leases

Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating lease

Leased Assets: Assets held under finance leases are initially recognised as Assets of the Company at

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalized. Contingent rentals are recognised as expenses in the periods in which they are incurred

A leased asset is depreciated over the useful life of the asset ranging from 18 years to 99 years. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of time pattern in which economic benefits from the leased assets are consumed.

(d) Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortisation / depletion and impairment losses, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the Intangible Assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Other Indirect Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Intangible Assets Under Development.

Gains or losses arising from derecognition of an Intangible Asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is recognised.

The amortisation period and the amortisation method for Intangible Assets with a finite useful life are reviewed at each reporting date.

(e) Research and Development Expenditure

Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are charged to the Statement of Profit and Loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is

(f) Finance Cost

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred

(g) Inventories

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any, except in case of by-products which are valued at net realisable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective

Cost of raw materials, chemicals, stores and spares, packing materials, trading and other products are determined on weighted average basis.

(h) Impairment of Non-Financial Assets - Property, Plant and Equipment and Intangible Assets

The Company assesses at each reporting date as to whether there is any indication that any Property, Plant and Equipment and Intangible Assets or group of Assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists, the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

(i) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

(j) Employee Benefits Expense

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services

Post-Employment Benefits

Defined Contribution Plans

The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a

Defined Benefit Plans

The Company pays gratuity to the employees who have completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @15 days salary for every completed year of service as per the Payment of Gratuity Act 1972.

The gratuity liability amount is contributed to the approved gratuity fund formed exclusively for gratuity payment to the employees. The gratuity fund has been approved by respective Income Tax

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services

Re-measurement of Defined Benefit Plans in respect of post-employment are charged to the Other Comprehensive Income.

Employee Separation Costs

Compensation to employees who have opted for retirement under the voluntary retirement scheme of the Company is payable in the year of exercise of option by the employee. The Company recognises the employee separation cost when the scheme is announced and the Company is

(k) Tax Expenses

The tax expense for the period comprises of current tax and deferred income tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the Other Comprehensive Income or in equity. In which case, the tax is also recognised in Other Comprehensive Income or Equity.

(i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the Income Tax authorities, based on tax rates and laws that are enacted at the Balance sheet date.

(ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

(l) Foreign Currencies Transactions and Translation

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets which are capitalized as cost of assets. Additionally, exchange gains or losses on foreign currency borrowings taken prior to April 1, 2016 which are related to the acquisition or construction of qualifying assets are adjusted in the carrying cost of such assets.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in Other Comprehensive Income or Statement of Profit and Loss are also recognised in Other Comprehensive Income or Statement of Profit and Loss, respectively).

(m) Earnings Per Share

The Company reports basic and diluted earnings per share in accordance with Ind AS-33 "Earnings Per Share." Basic earnings per share is calculated by dividing profit or loss attributable to ordinary equity holders of the parent entity (the numerator) by the weighted average number of ordinary shares outstanding (the denominator) during the period. Diluted earnings per share is calculated after adjusting profit or loss attributable to ordinary equity holders, and the weighted average number of shares outstanding, for the effects of all dilutive potential ordinary shares.

(n) Provisions, Contingent Liabilities and Contingent Assets

Contingent liabilities as defined in Ind AS-37 "Provisions, Contingent Liabilities and Contingent Assets" are disclosed by way of notes to accounts. Provision is made if it becomes probable that an outflow of future economic benefits will be required for an item previously dealt with as a contingent liability.

(o) Cash Flow Statement

Cash flows are reported using the indirect method, whereby the net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of the past or future cash receipts or payments. The cash flows from regular revenue generating, investing & financing activities of the company are segregated.

Revenue from rendering of services is recognised when the performance of agreed contractual task has been completed.

Revenue from operations is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

(p) Interest Income

Interest Income from a Financial Assets is recognised using effective interest rate method.

(q) Dividend Income

Dividend Income is recognised when the Company's right to receive the amount has been

(r) Financial Instruments

(i) Financial Assets

A. Initial Recognition and Measurement

All Financial Assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of Financial Assets, which are not at Fair Value Through Profit or Loss, are adjusted to the fair value on initial recognition. Purchase and sale of Financial Assets are recognised using trade date accounting.

B. Subsequent Measurement

a) Financial Assets measured at Amortised Cost (AC)

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the Contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial Assets measured at Fair Value Through Profit or Loss (FVTPL)

A Financial Asset which is not classified in any of the above categories are measured at FVTPL.

C. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

ii) Financial Liabilities

A. Initial Recognition and Measurement

All Financial Liabilities are recognized at fair value and in case of borrowings, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss

B. Subsequent Measurement

Financial Liabilities are carried at amortized cost using the effective interest method.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

iii) Derecognition of Financial Instruments

The Company derecognizes a Financial Asset when the contractual rights to the cash flows from the Financial Asset expire or it transfers the Financial Asset and the transfer qualifies for derecognition under Ind AS 109. A Financial liability (or a part of a Financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

iv) Offsetting

Financial Assets and Financial Liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability

(s) Critical Accounting Judgments And Key Sources Of Estimation Uncertainty

The preparation of the Company's Financial Statements requires management to make judgment, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in next financial years.

(t) Depreciation / Amortisation and useful lives of Property Plant and Equipment / Intangible Assets

Property, Plant and Equipment / Intangible Assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

(u) Recoverability of Trade Receivables

Judgments are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

(v) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

(w) Impairment of Non-Financial Assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

(x) Impairment of Financial Assets

The impairment provisions for Financial Assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

(y) REVENUE RECOGNITION:

Selling price of a product includes an identifiable amount for subsequent servicing that amount is deferred and recognised as revenue over the period during which the service is performed. The amount deferred is that which will cover the expected costs of the services under the agreement, together with a reasonable profit on those services. Dividends are recognised when the shareholder's right to receive payment is established.
